

1 中心简介 | Introduction

香港大学深圳医院是由深圳市政府全额投资、并引进香港大学现代化管理模式的三级甲等大型综合性公立医院。为满足市民和外籍人士对多元化医疗服务的需求，医院设立“国际医疗中心”（International Medical Center），提供具有国际先进水平、注重人文关怀的高端医疗保健服务。

The HKU-SZH is a major comprehensive third-grade class-A public hospital fully funded and built by the Shenzhen Municipal Government with the introduction of modern management models by the University of Hong Kong. The International Medical Center (IMC) was established by HKU-SZH to offer high-end quality patient-centered healthcare services of international standards to better satisfy the diversified needs of patients from both China and abroad.

Specialist Outpatient Clinics

The IMC offers a comprehensive range of specialist outpatient services, including:

Orthopedic Center, Oncology Medical Center, Cardiac and Vascular Center, Neuromedicine Center, Reproductive Medicine and Prenatal Diagnosis Center, Department of Medicine, Department of Surgery, Department of Obstetrics and Gynecology, Department of Pediatrics, Department of Adult Intensive Care, Department of Chinese Medicine, Department of Accident and Emergency, Department of Ophthalmology, Department of Dental Surgery, Department of Family Medicine, Department of Anesthesiology, Department of Medical Imaging, Department of Pathology, Department of Infectious Disease and Microbiology, Department of Pharmacy, Department of Nutrition, Department of Rehabilitation Medicine, Rehabilitation Medicine Center, and 24-hour emergency services.

2 住院服务

国际医疗中心提供完善的住院服务及护理照顾，住院患者可选择医生开展手术，住院期间安排医生巡房服务。

Inpatient Services

The IMC provides a full spectrum of comprehensive medical care services to all inpatients. IMC inpatients may choose their doctor for any procedures or operations and regular ward rounds.

3 保险服务

国际医疗中心提供保险直付服务，与多家国内外保险公司签署高端医疗保险直付合作协议，实现大湾区医疗资源合作共赢模式，与多家国际领先的保险公司，以及第三方管理机构合作，提供保险直接结算服务。

Insurance Services

The IMC provides direct insurance payment services. It has signed high-end medical insurance direct payment cooperation agreements with multiple domestic and foreign insurance companies to realize win-win cooperation regarding medical resources in the Greater Bay Area. It also cooperates with international leading insurance companies and third-party administrators (TPAs) to provide direct insurance settlement services.

4 高端健康管理

国际医疗中心高端健康管理部秉承“绿色医疗”理念，以循证医学为基础，遵循现代健康管理理念，努力提升社会人健康水平，开展服务包括专业的检前风险评估、精准的个性化体检、一站式体检筛查、个性化检后干预指导及延续性健康管理。

Premium Health Management Services

The IMC Premium Health Management Center provides personalized health assessment services which include risk assessment, precision personalized physical examination, one-stop health screening, post-assessment medical interventions, and continuous health management based on the concept of "green healthcare" and evidence-based medical practice.

5 内镜服务

国际医疗中心内镜服务拥有先进的电子胃镜、结肠镜设备。提供安全及人性化的镇静、无痛消化道内镜检查及治疗。整个过程无需住院，患者在专用的内镜室进行治疗，独立的房间，隐私性高，有需要的情况下，可以同时进行治疗。

Endoscopic Services

With the increasing incidence of gastrointestinal tumors, endoscopic examination and treatment is proven to be effective in early detection and resection of neoplastic growth, and hence lowering the cancer related mortality. We equipped with advance endoscopic system which allows physicians and endoscopists perform detail mucosal examination by chromo- and endo-cytoscopy. Endoscopic procedures are done under monitored anesthetic care by our in-house anesthetists, while treatment like polypectomy, endoscopic mucosal resection, etc can be done in same session without the need of hospitalization if feasible. Patients' privacy is ensured by individual waiting room before and after the procedures.

6 先进医疗影像仪器

国际医疗中心医学影像部为门诊及住院病人提供放射诊断服务，设有多种放射检查项目，包括：普放检查（X线）、电子断层扫描（CT）检查、磁共振扫描（MRI）检查、数字乳腺检查、超声波扫描检查、核医学扫描检查等。

State-of-the-art Medical Imaging Equipment

The IMC Medical Imaging Department provides a full range of diagnostic imaging services which include general (DR) radiography, computed tomography (CT) scan, magnetic resonance imaging (MRI), mammography, ultrasound scan (US), and nuclear medicine (NM).

3 环境设施 | Environment and Facilities

国际医疗中心设在医院独立建筑V栋内，共有五层，建筑面积共计3.5万平方米，设有门诊部、体检中心和住院区，目前提供综合性的门诊服务、体检服务以及住院服务。

国际医疗中心病房实行酒店式管理，设有套房及标准单人房，满足患者多元化需求。

国际医疗中心提供个性化高端医疗服务，收费标准按医院相关规定收取。

Located in the V-Block of the Hospital, the IMC occupies over five floors with a total area of 35,000 square meters. The IMC includes an outpatient area, a dedicated health assessment center, and wards to provide comprehensive inpatient and outpatient services.

The IMC adopts hotel-style management for its wards and sets up suites and standard private rooms to satisfy the varying needs of patients.

The IMC provides personalized high-end medical services, and fees are charged according to relevant regulations of the Hospital.
