

[REMINDER] 2013 Global Investment Contest

The Chinese Finance Association ("TCFA"), a leading non-profit organization of Chinese finance industry professionals, is proud to present the **2013 Global Investment Contest** ("the Contest").

The Contest composes of three sub-contests, and each contestant can choose to compete in **any one or multiple contests**:

- **Contest #1 - China Alpha Contest** allows contestants to invest in 30 preselected U.S. listed China related stocks. Selling Short is allowed. Participants are permitted to trade fictionally by placing virtual orders. This contest focuses on stock picking and hedging strategy.
- **Contest #2 - iShares Asset Allocation Alpha Contest** allows contestants to invest in 30 preselected iShares ETFs. Selling Short is NOT allowed. Participants are permitted to trade fictionally by placing virtual orders. This contest focuses on tactical asset allocation strategy.
- **Contest #3 - Value Investing Contest** allows contestants to conduct fundamental research and make investments recommendations based on fundamental analysis of their chosen investment targets.
