

Guided Tour of Cable TV

The PR Sub-Committee recently organized a guided tour to Cable TV station. Over 20 members got a chance to go behind the scene of a 24-hour TV news room and understand the operation of a news center. In addition to the guided tour, Mr Ronald Chiu, Executive Director of Cables News also shared the history of Cable TV News Center, together with the trends and challenges of the news industry. It was truly an inspiring session for members who are interested in the industry.

An engaging discussion hosted by Mr Ronald Chiu, Executive Director of Cables News.

Some of the advanced technologies and equipment in the news center.

HKUAA Committee members presented souvenir to Mr Chiu.
